Comments of [] on CAPELIN-CANDIOT relationship:

AECAPELIN reports suggest that CAPELIN does not enjoy AECANDIOT'S complete confidence, and that frequently, in order to mask contacts of assignments, CANDIOT reports to fabrication. CAPELIN states that CANDIOT is not aware of his (CAPELIN's) AIS connection, but that CANDIOT knows of CAPELIN's war-time Abwehr and current German association. That knowledge serves as a basis of a mutually beneficial trade of views and materials.

CANDIOT most interested in pumping persons he believed are associated with AIS. Most recently CAPELIN has reported that CANDIOT has been pumping Tlavo VERHUN and Yaroslav MALETSEY, two Ukrainian emigres alleged to have been in SAMUTIN's net and to be responsible for the passing recently of derogatory information on SAMUTIN and CANDIOT to both ZIPPER and CIC.
